President Letter

Happy New Year! I wish everyone nothing but goodness for the coming year. Let's hope the coming year brings calm seas. The beach took a beating during the end of 2017. We lost at least 10 feet in height on the front beach during the month of November. We have seen this before and the beach has come back. So let's hope for a calm winter and spring.

Being the winter the days are short and the nights are long. This is the time of year that we are supposed to get our fishing gear ready for the coming season, so let's get off the couch and start cleaning those reels and sharpen the hooks on those always go to lures and jigs. Make all those leaders and rigs needed for the first month at least. Well I'm not much of a couch guy. My dog has got that covered pretty good, but I do love my recliner. I hope I can listen to my own advice.

We have a lot to remember and be thankful for, but we also have the future to look forward to. We have many openings for membership so let's grow the RIMS family so we can keep helping keep the shore line open for fishing and family recreation.

Thank You
Rich Taylor, President

Awards Committee

Hi Everyone, Can you believe that it's been a year since we did this last?

There have been some changes as follows:

- There is a short bio on the nominees so that you know
 - Who is nominated and
 - Why they were nominated so that you know something about them or
- If you know of someone else deserving to be nominated please write them in
- The Board of Directors will vote for the nominees for each award by secret ballot at the March Meeting Ballots will be collected by myself and awards will be presented at the annual outing in May.

"OUTSTANDING MEMBER".

This award is for any member that has served the membership of RIMS in an extraordinary way and has done it for a long period of time. In the past Fifty plus years there are members of our club that have gone without being recognized. That without their help and dedication, to the mission of RIMS over the years, we would not still be here. This is especially evident when you hear of other clubs, like ours are dissolving year after year. This award is for them. Here are the basic rules:

- You have to be a member in Good Standing for at least 5 years,
- You can ONLY receive this award one time and
- The award is the coveted one of a kind "Black Jacket" (like the Green Jacket for the Masters)

I hope that the membership (especially Life members) will nominate more individuals that may have been missed over the years that have made a difference to RIMS.

Lastly, If you don't want to return your ballot by snail mail I will be accepting your votes by e-mail (wax4144ep@yahoo.com) . Only one vote per member per award, You e-mail ballot must include:

- Your name and RIMS #
- The award name and whom you are voting for or
- Your Write in vote with a short paragraph as to why you are nominating them.
- Or scan your ballot and attach it. Make sure that the attachment is in PDF format.

I'm very excited about this program and Looking forward to everyone's participation

Respectfully submitted,

Ken Blanchard
