

RIMS FISHING TOURNAMENT RULES 2024

1. All tournaments are for RIMS members only.
2. Tournaments have two Divisions: a Senior and a Junior. (Junior up to and including age 18)
3. All fish must be caught in Rhode Island waters (Boat/Shore as specified)
4. These are Surf, Boat contests as specified
5. Prizes will be determined by total weight. Should a tie occur, the total length will be added to the total weight. (Example: a 20.80 lb. fish which is 38" long has a total of 58.80)
6. Total length is measured from the tip of the snout to the tip of the tail. All fish must be of legal size and season.
7. One prize per member for each class of fish (Tournament-Species-Method)
8. Should a tie occur duplicate prizes will be awarded.
9. Should a grievance occur, the ANGLERS COPY of the Tournament Affidavit Form must be submitted to the Tournaments Chairperson, with a written or verbal explanation of the grievance. The Chairperson will work with the angler to resolve any dispute, and will present the matter, if necessary, at a meeting of the Board.
10. Tournament fish must be weighed from the beach or boat and witnessed by a RIMS member (or non-RIMS member witness). **THE AL ZUMWALT TOURNAMENT MUST BE WEIGHED AND WITNESSED BY A WEIGH STATION REPRESENTATIVE.**
11. Fish entered in each tournament will automatically be entered in the Yearly Tournament. (The 1st, 2nd & 3rd place). (Al Zumwalt winners are NOT included).
12. Because RIMS supports Catch and Release, please check the RIMS website, Facebook page or the the clubhouse whiteboard periodically for the size of the fish currently in the lead. With this in mind please take the time to review proper fish release methods.
13. AL ZUMWALT TOURNAMENT - All information on the RIMS Affidavit Form must be completed by an authorized weigh station. *** See affidavit form for the locations***
14. TOG-TOBER FEST- Tautog(AKA Blackfish) are the target species of this tournament. All entries must be caught within the given timeframe from either boat or shore. Awards will be given for each category. Both weight and Length must be recorded for the entry to be submitted.
15. ALBIE FEVER TOURNAMENT- False Albacore(AKA Albies/Little Tunny) are the target species of this tournament. All entries must be caught within the given time frame from either boat or from shore. Awards will be given for each entry. Both weight and length must be recorded for the entry to be submitted into the tournament
16. FISH TAGGING TOURNAMENT- Fish entered into this tournament are strictly catch and release. All fish entered must be documented according to the fish tagging instructions. Both the affidavit and copy of the fish tagging for must be provided in order to verify the entry into this tournament.

17. YEARLY TOURNAMENT- The yearly tournament for striped bass category is catch and release. Striped bass of any length may be submitted as tournament entry fish. Members must abide by an honor system for these entries and must include a length measurement with a rigid tape above the fish from snout to tip of the tail to the nearest 1/4" (see examples below). Two photos must also be included including a photo of the length and a photo including identification of the angler. With this in mind it will be treated as a harvested fish where only one submission is allowed per day by the angler. The tournament chair will update a spread sheet frequently and will be made viewable to participants on the RIMS website.
